29 October – Wicked Little Letters (Mystery/Comedy, 2023)

When residents begin to receive wicked letters full of hilarious profanities, foul-mouthed Rose is charged with the crime. However, as the town's women investigate, they suspect that something is amiss, and that Rose may not be the culprit after all. A shockingly hilarious tale based on true events starring Olivia Coleman, Jessie Buckley and Timothy Spall.

19 November – One Life (Drama, 2023)

The true story of Nicholas "Nicky" Winton who helped rescue hundreds of predominantly Jewish children from Czechoslovakia before the Nazi occupation closed the borders. Fifty years after the events, Winton is still haunted by the fate of those he wasn't able to bring to safety. This is one of the truly inspiring stories from the Second World War that stars Anthony Hopkins and Helena Bonham-Carter.
